

# Hello!

Motakadema Pharmaceutical LTD is a privately owned developed Pharmaceutical Manufacturing Company that was established in Jordan in 2010, aimed at providing high-quality products to the MENA markets.

[WWW.MOTAKADEMA.COM](http://WWW.MOTAKADEMA.COM)

# 1 Dedication to Excellence

**MOTAKADEMA PHARMACEUTICAL LTD.,** is a Jordanian GMP certified manufacturer and supplier of high quality Medicines, Food supplements, Vitamins, Cosmo and Cosmeceutical products.

Established in 2010, Motakadema Pharma bacame a leading pharmaceutical company in Jordan, dedicated to helping transform people's lives by providing the medicine and support their needs every day.

3

We feel a real duty of care towards everyone with whom we come into contact; the people who use our medicines, our customers, suppliers, employees and the wider community.

[WWW.MOTAKADEMA.COM](http://WWW.MOTAKADEMA.COM)

# 4 Core Pharmaceuticals Business

5

The core operations of AlMotakadema Pharma are in the development and manufacture of quality, affordable branded generics serving the needs of consumers and health care professionals.

# 6 Mission

MOTAKADEMA is committed to provide high quality pharmaceutical products of international standards that earn the loyalty of its customers through internal development and strategic alliances to benefit its founder, employees, and the society.

Improve our communities' quality of life by increasing the access to high quality and affordable products.

# 7 Vision

To be an international pharmaceutical company with stronghold in MEA and presence in Europe and other global markets.

To be the leading company, not just in sales levels, but also in value creation, innovation, and in the excellence of our technology, through high standards of quality.

# 8 Our Policy

Striving For Better Healthy Life By Introducing Our Innovative, Distinctive And High Quality Products.

We believe that good health is the foundation of vibrant lives, we have aimed to keep people well at every age and every stage of life.

Today, as the world's largest and most broadly based healthcare company, we are committed to be the best in the field of pharmaceutical products.

*Ali Al Kobaisi*

# 9 Our Philosophy

Quality: we endeavor to achieve the best quality standards in pharmaceutical industry in Jordan.

Affordability: We deliver affordable medications that meet various medical needs.

# 10 FOUNDER & CEO

“

*Our company is dedicated to helping transform people's lives by providing the medicine and support their needs every day. We feel a real duty of care towards everyone with whom we come into contact – the people who use our medicines, our customers, suppliers, employees and the wider community.*
